
MANGATOON

SHE MUST HAVE LOST HER SOUL FORCE AND GOTTEN EXHAUSTED.

LITTLE TANG SAN, COME AND CHECK.
ARE YOU CONFUSED?!
LITTLE TANG SAN'S STILL UP THERE.

HUH? WHERE IS EVERYONE?
MANGATOON

MANGATOON

MANGATOON

MANGATOON

WHEN DID HE CLIMB SO HIGH?!!!
FORMER POSITION
MANGATOON

MANGATOON

STOP COUNTING,
THE 231ST STEP.
WOW?

CALM DOWN! DON'T FUSS!
CRACK!
IT'S BROTHER SAN, HE'S NOT A NORMAL GUY!

LOOK...
BROTHER SAN...

HEY, TANG SAN'S PUBLIC PERSONA IS DIFFERENT FROM OURS, RIGHT?
LOOK HOW HE CLIMBS, WHY...

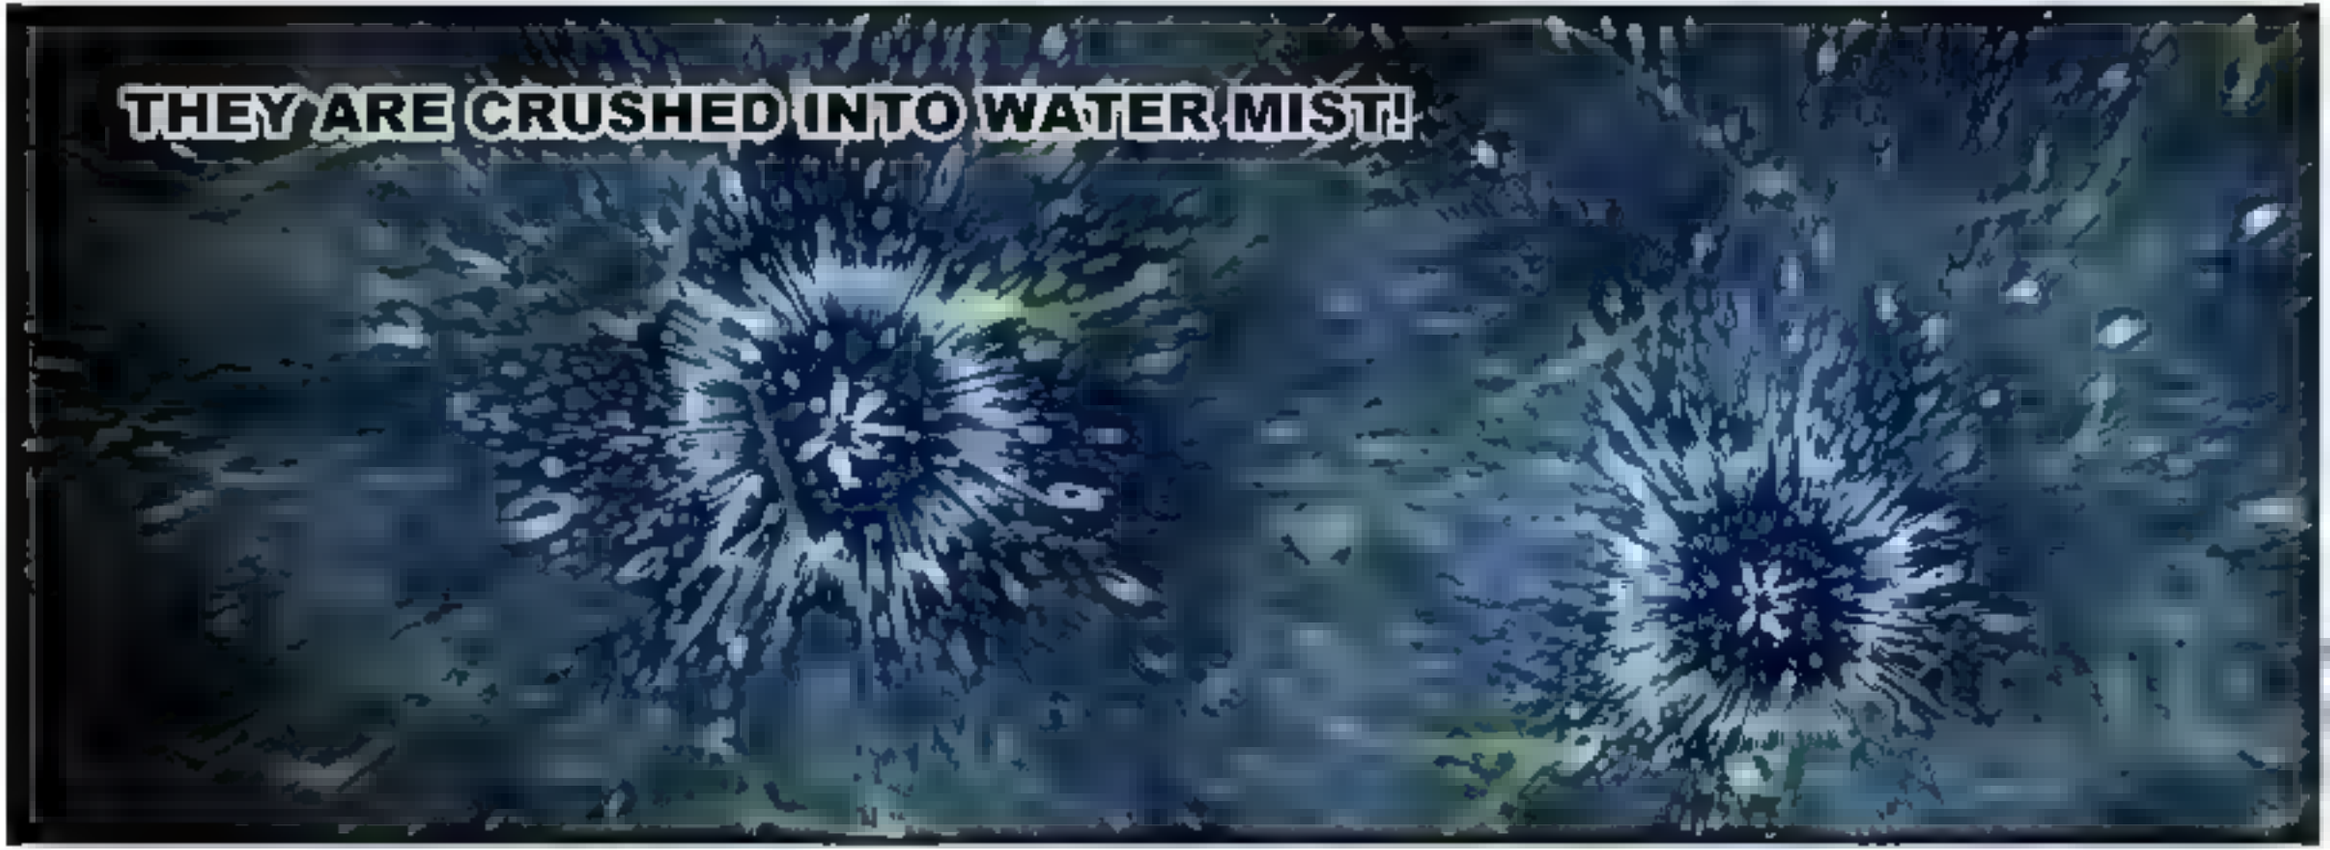
HE'S CARRYING
A RAINBOW?!

THAT'S RAINBOW REFLECTION.
IN A SUNNY DAY, STAND WITH BACK TO THE SUN AND SPRAY WATER MIST, A RAINBOW WILL SHOW.
WATER MIST? WHERE DOES HE GET THAT?
MANGATOON

TO BE ACCURATE,
IT'S HIS SWEAT.

BEADS OF SWEAT FALL...

UNDER SUPER PRESSURE
OF THE STEPS,

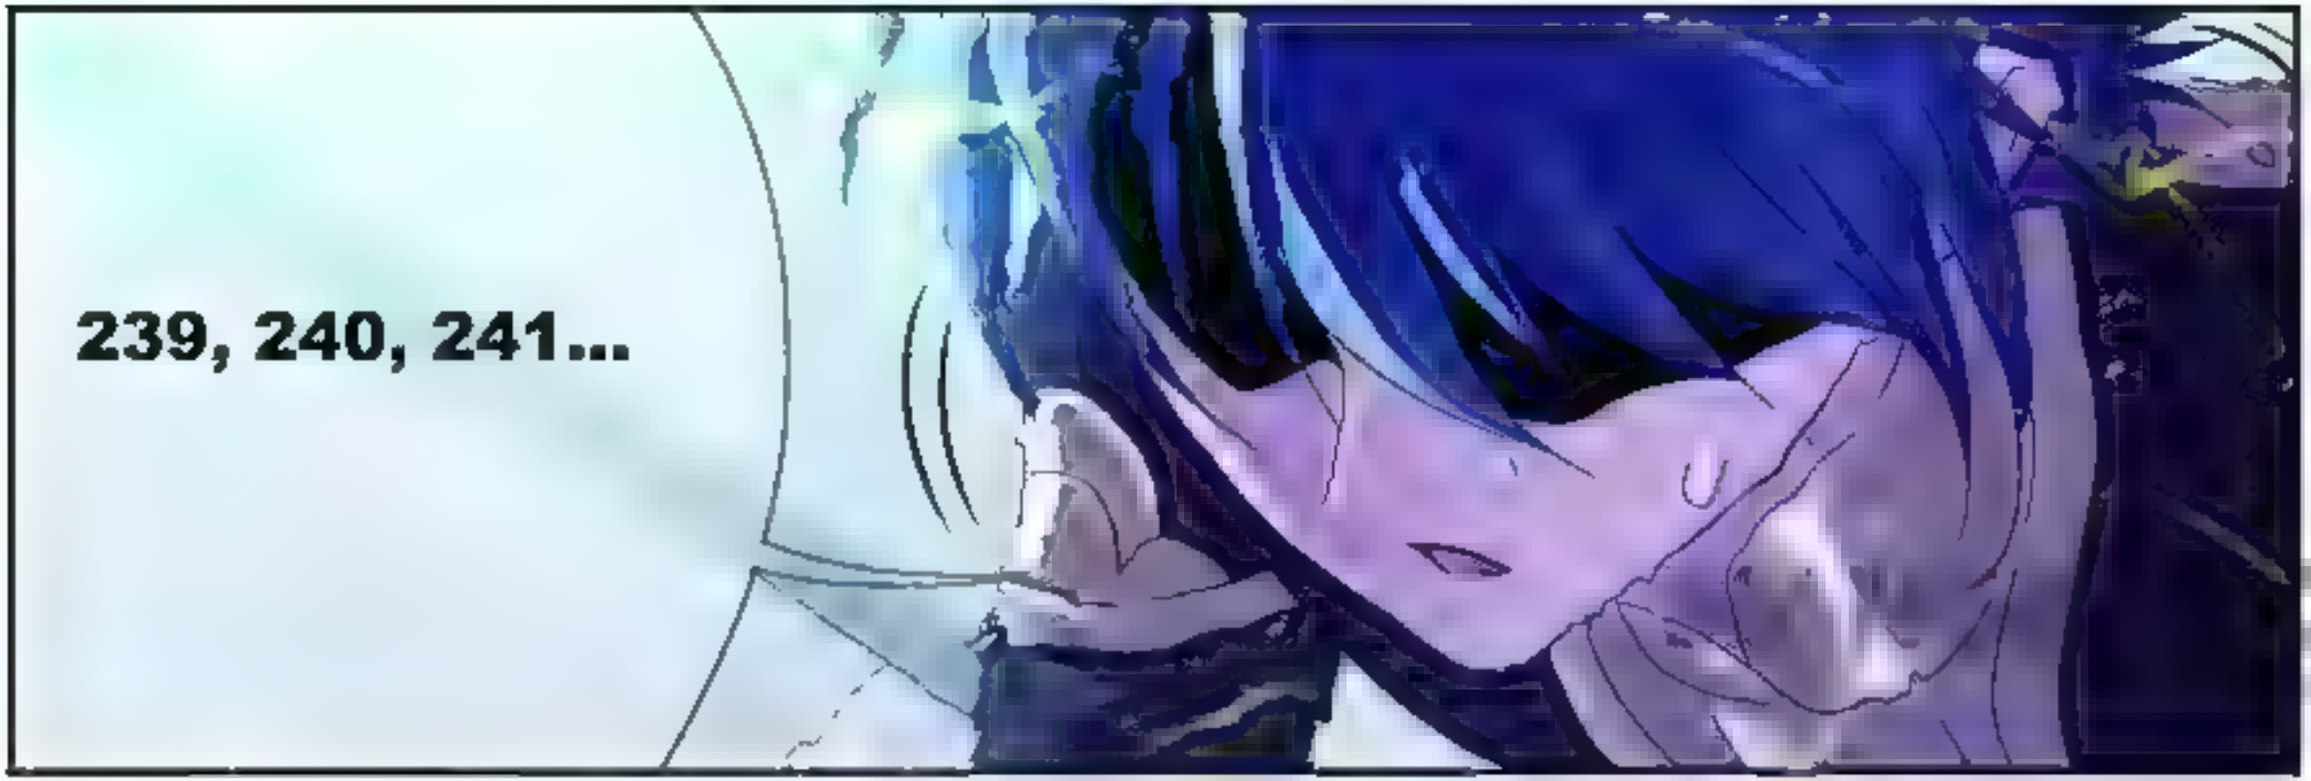


THEY ARE CRUSHED INTO WATER MIST!

WOW,
SOUNDS
INCREDIBLE.
I DON'T,
UNDER-
STAND.

THE PRESSURE UP THERE IS OUT OF OUR IMAGINATION.
YOU KNOW, THE PRESSURE AT WHERE LITTLE SAN STANDS, CAN EVEN TURN WATER INTO MIST.

236, 237,
238...



239, 240, 241...

LIARS.
WHY IT IS RED NOW?

MANGATOON

BLOOD.

IT'S HIS BLOOD MIST.

GACHIGHI

GACHIGHI

THIS SOUND...

IS CAUSED BY
FRICTIONS
BETWEEN
BONES.

HE'S HIGHLY DEHYDRATED, AND DOESN'T HAVE ENOUGH SOUL FORCE TO LUBRICATE BONES.
FOR EACH MOVE, HE IS SUFFERING HUGE PAINS.
DON'T KNOW HOW LONG HE CAN HANG IN THERE.
MANGATOON

.....
I FEEL SO USELESS, NOTHING I CAN DO TO HELP.

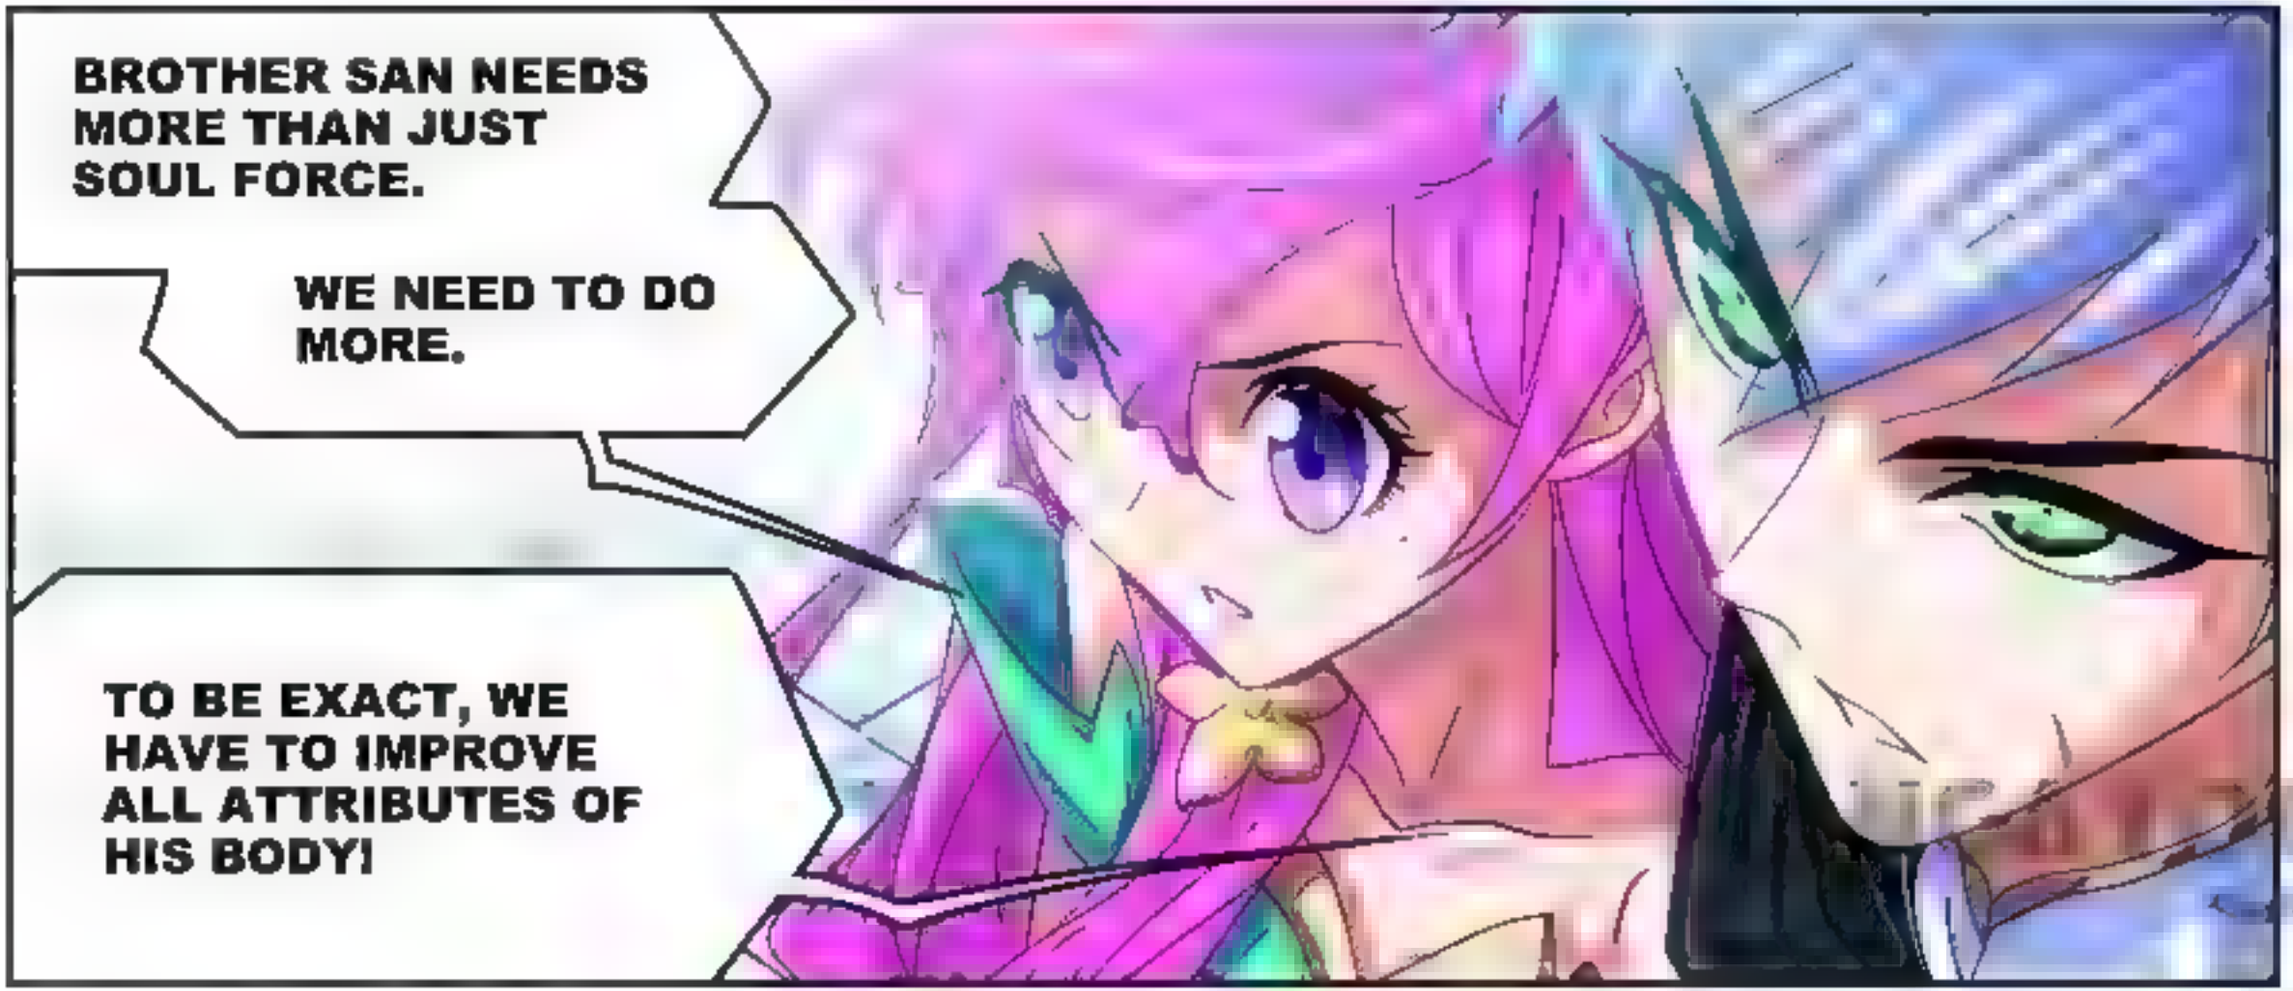
MANGATOON

MANGATOON

RONGRONG, YOU WAKE UP?
BUT YOUR BODY...

MANGATOON

THE SKILL YOU TALKED ABOUT... GLAZED LIGHT?
SHAKE HEADS



BROTHER SAN NEEDS MORE THAN JUST SOUL FORCE.
WE NEED TO DO MORE.
TO BE EXACT, WE HAVE TO IMPROVE ALL ATTRIBUTES OF HIS BODY!

MANGATOON

HEY, YOU GUYS...

WHAT ARE YOU SAYING HERE, YOU EXPECT US JUST WATCHING?

NO...

MANGATOON

THIS IS FOR WHEN I GET EXHAUSTED ON STEPS.

I DIDN'T NEED IT.

MANGATOON

HERE YOU GO.
COME ON!
